The 1964 Warrior

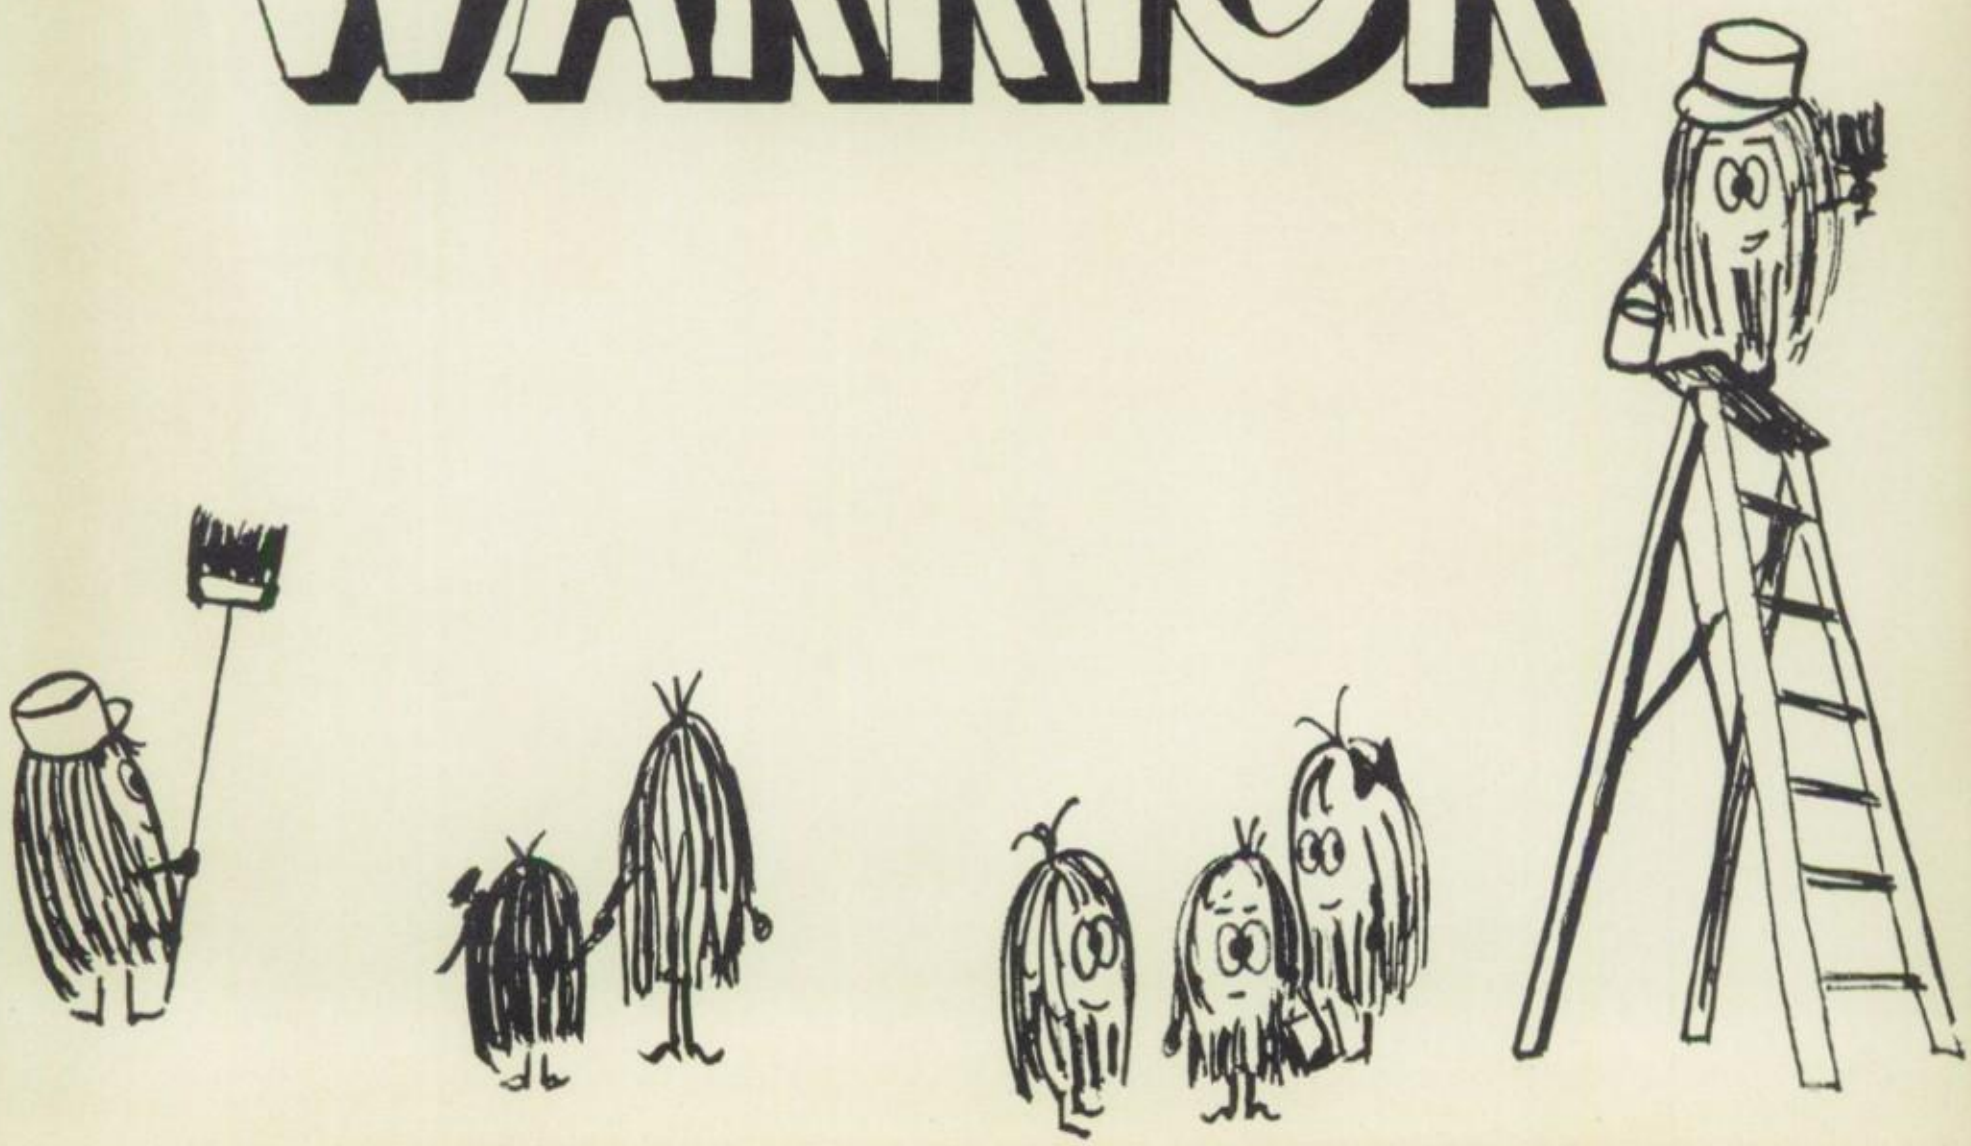
HIGH SCHOOL

THE CLASS OF

1964

PRESENTS...

THE WARRIOR



Foreword

We as students in the class of 1964 are about to embark on a journey that will take us into many vocations and places. We realize it will not be an easy trip, as we will face a world that holds many hardships and crises. We know that the many things we have been taught at W. R. H. S. will help give us the stability we need to face the challenge of our present-day world, as well as the future.

We offer this, The Warrior, in memory of the wonderful years spent in a school we love.

Dedication

We, the class of 1964, would like to give special recognition to a man who has been outstanding in serving our school.

As a teacher, he has contributed much to our class, and as a Senior Class Adviser he is always ready with a helpful answer whenever a problem arises.

Being a friendly and cheerful person with an unfailing sense of humor, he is well liked by both faculty and students.

As Faculty Manager of Athletics, he plays an important role in the sports program at Warrior Run. He spends a large portion of his time organizing and attending athletic events.

We would like to honor this man by dedicating our yearbook, THE 1964 WARRIOR, to MR. JOHN E. CORMAN.

LOUNGE

To the Class of 1964:

Almost two hundred years ago the founding fathers established for us our great democratic system of government. Then as now it depended upon an enlightened and educated public to function as it should. Free universal education was established to prepare young people to take their places as responsible adult citizens of the community.

Since those early days, but especially during the past twenty-five years, the reservoir of human knowledge has increased rapidly. Your teachers have tried to give you some background, some foundation, on which to build to become responsible citizens of the state, nation and world.

The process, however, never should stop. You must continue to strive to get learning, to understand, to educate yourselves for the great responsibilities you will have.

My sincere good wishes go with you.

Orrin G. Cocks, Jr.
Supervising Principal

Congratulations to you, Class of '64! Your graduation is at hand.

Although your school days are completed, remember that education is a continuous life process. You must never stop learning. The foundation you have laid here at Warrior Run is just the beginning of the structure you will build in the coming years. It is yours to complete.

'64 is the first truly representative class of Warrior Run High School, for yours is the first class to complete the six years of secondary education in our new building. As such you bear the responsibility of representing a new era in education. As you graduate be proud, - stand strong, -look to your future with confidence.

Our best wishes for success and happiness go with each and every one of you. Feel free to stop by and visit when you are in the area.

Sincerely,

Joseph H. Wolfe
Principal

Lars Kallsater—Exchange Student

Lars Kallsater, a tall, handsome blond-haired boy from Sweden, was first introduced to us at a party of senior class members on Labor Day of 1963. After that date, Lars' popularity increased steadily until he became a well-known personality at Warrior Run.

Lars learned the American way of life very quickly. He performed well in Junior Varisty Basketball, especially for never having played the game before. Lars was also an active member of the Fine Arts Club and Mixed Chorus and he enjoyed playing the guitar.

During his visit, here, Lars not only learned our customs, but he taught us a great deal about Swedish customs. His intelligence, pleasing personality, and sense of humor have earned him the respect of all the students and teachers at Warrior Run. If he enjoyed being here as much as we enjoyed having him, his visit must have been a very rewarding one.

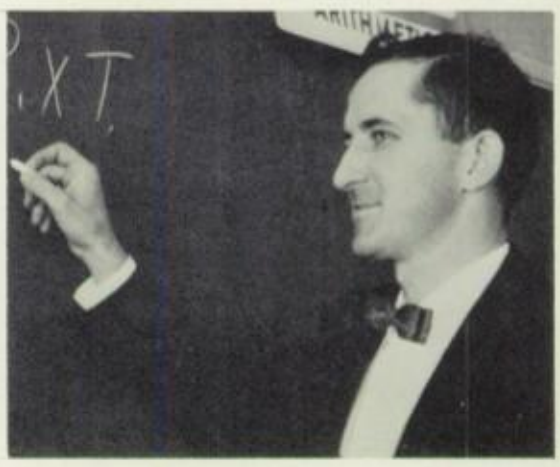
Advisers

If I had been there when the Civil War was fought . . .

Come in and close the door; it's cold out there!

Did anyone water my violets while I was absent?



Are there any questions . . . before the test?

Class Song

Tune: Days of Wine and Roses

Our high school days are over.
Now we're leaving here,
With a sigh and tear,
For the many friends and great
times we have known.
We're at the future's door,
where we've never stood before.
And as we walk away,
May God bless each goal
That our futures hold.
Warrier Run it's time to bid you
fond adieu.
Farewell dear Warrior Run to you.

Class History

In our first year of senior high school the members of the Class of 1964 approached their duties with great enthusiasm. The people elected to serve as officers were as follows:

Jerry Cook . . . . . President
Mike Fitzgerald . . . . . Vice-President
Pat Erdly . . . . . Secretary
Joel Buck . . . . . Treasurer

The class held a number of very successful record-hops, following the Friday night home basketball games. The year ended as we ordered our class rings, with everyone looking forward to the Junior year.

As our Junior year rolled around, we were all aware of the many responsibilities that were about to face us. We elected as our officers:

Jerry Cook . . . . . President
Pat Erdly . . . . . Vice-President
Jean Brown . . . . . Secretary
Bonnie Cronrath . . . . . Treasurer

We soon received our class rings, and began work on our three major projects of the year: the class play, the Easter candy sales, and the Junior-Senior Prom. Mr. Trojanowski and Mr. Brann directed a successful play: "Have a Date," which was presented in March.

We sold a record amount of Easter candy, and concluded a very successful year with the Junior-Senior Prom, the theme of which was "The Cotillion."

As the class of 1964 assembled in the Band Room, there was an air of happiness mixed with sentiment, as we began our last year at Warrior Run. We welcomed to the class our foreign exchange student, Lars Kallsater. The officers for our final year were as follows:

Russell Guthrie . . . . . President
Paul Stover . . . . . Vice-President
Sherry Kay McHenry . . . . . Secretary
Bonnie Cronrath . . . . . Treasurer
Jerry Cook . . . . . Historian

The humorous play, "A Connecticut Yankee in King Arthur's Court" was presented in November, under the direction of Mr. Powell and Mr. Troutman. The blue carnation was chosen as our class flower, blue and silver as our colors, and the tune of "The Days of Wine and Roses," as our class song.

All the efforts and the accomplishments of the first class to complete the full six years at Warrior Run shall be forever locked in our hearts.
